

PARKING LOT

Morning Drop Off - Please use the Pearl Rd. entrance only. Do not enter from the Parkway. Drive into the school slowly and do not drive through the crosswalks.

We need a few parents to help direct traffic in the morning. This is a very important service to our children. Please consider helping out once a week, for 30 minutes.

Afternoon Pick -Up - Do not park past the yellow line that runs parallel to the school. Once the busses begin to park, you cannot exit the parking lot. Cars are not allowed to leave the parking lot until all busses have exited.
