

Endowment

Another major step in building Incarnate Word Academy's foundation for the future has been inaugurated. An endowment fund for the school has been established, a fund that will be solely for the school.

Endowment monies are invested with only the earnings used. Income earned from this fund will be used for financial aid and faculty advancement. As we continue to move closer to cost-based tuition, financial aid will become increasingly important. The community of Incarnate Word Academy wants to ensure that no child is unable to attend the school because of financial need. This fund will also support faculty members wishing to attend enriching seminars and workshops.

Please support this endowment. A donation made on someone's behalf makes a great gift. Please send your contributions to Sr. Eileen Fitzgerald, and have the checks made payable to Incarnate Word Academy Endowment.
