### **CLASSROOM HIGHLIGHTS**

#### **Community Partnerships**

Thank you to Lincoln Electric and Roundtable Learning for collaborating with our 8th grade students. Our students were asked to test a future product and to provide feedback. With the use of VR (virtual reality) headsets, the students learned the necessary skills to be able to weld, so that rides can be created at an amusement park. The students discovered this was not an easy task!

## Fun & Field Day T-shirt Design Contest

Thank you to the students that participated in the Fun & Field Day t-shirt design contest! With 20 designs to choose from, it was difficult to determine a winner...they were all so great!

Congratulations goes to 6th grade student, Anvi M., for her winning design that will be on the Fun & Field Day t-shirts.

## IMPORTANT PARKING LOT REMINDERS

This is a friendly reminder to please DRIVE SLOWLY in the school parking lot at all times during the day for the safety of all students, parents, and visitors.

The parking lot does not open for dismissal lines until 2:10 p.m. and we often have visitors in the building until that time. Additionally, please remember that our parking lot attendants are our faculty and staff who are doing the best they can to keep dismissal moving quickly and orderly.

We appreciate your cooperation and support!

## **IWA Athletics Donates \$2,600 to Zelig's Home**

IWA volleyball players visited Zelig's Home to drop off donations and a check for \$2,600! Zelig's Home is a caring community that empowers pregnant and parenting women to take positive action on behalf of themselves and their children by providing physical, emotional, spiritual, and professional support.

Funds raised were all donated throughout the IWA volleyball tournament, where \$1 dollar was taken from each admission fee. Sr. Kate Hine (House Manager) and Erin Hathaway (Executive Director) gave us tour of the non-resident areas. We were amazed at the impact Zelig's Home has made on the mothers and children they serve.
