Celebrating Art Month at IWA

It's Youth Art Month at IWA and we've been celebrating all month long! Last week, Mrs. Kovacs revealed this year's Sticky Note Art Show where students, faculty and staff created an original work of art on a sticky note and added it to the collage. IWA parent and professional photographer, Mrs. Deborah Weita,

visited our art classes as well, to talk about how light is its own medium. The students were excited to get their photograph taken in two different styles.

Congratulations to all of the students that participated in this year's John Carroll Science Olympiad competition. We finished strong with our teams placing in six of the eleven events we entered. Congratulations to Raam B. and Samhita M., who placed first in the Mystery Event!
