Exploring Career Paths

Sixth grade students, John Paul B. and Olexa H. had the opportunity of a lifetime this week as they were able to explore the world of sports journalism at a Cleveland Monsters game, learning alongside Tony Brown who is the Senior Manager of Broadcasting/Team Communications and Radio/TV Broadcaster. The experience included a tour of the production area, as well as a spot at the media

WKYC Channel 3 Visits IWA

WKYC Channel 3 Producer/Videographer Jeff Reidel visited our Adaptive Devices club last week to learn about how our students are partnering with the Achievements Centers for Children to design and build adaptive sports equipment for individuals with special needs. Mr. Reidel will be visiting IWA over the next couple of months to document the process as the students create prototypes and finished products. This story will be featured during a WKYC STEM segment. We'll keep you posted!

HOLY THURSDAY RETREAT

Our student body participated in various activities on Holy Thursday to help prepare them for the Paschal Triduum in a meaningful and special way. Thank you to Mrs. Hjort, our Director of Campus Ministry, and Ms. Cuevas, Preparatory Religion Teacher, for collaborating with our 8th grade students to present Living Stations of the Cross. In addition, they created a Seder (Passover Meal) for our 6th grade students to experience. The Seder is the annual meal Jewish people share to commemorate the Passover. It is also the meal Jesus gathered to eat with his disciples the night before he was crucified. This allowed our students to connect with the history of their faith and the death and resurrection of Jesus in a hands-on way!
