Recognized for Excellence

Ms. Mary Beth Schram

Ms. Kimberly Vacanti

Congratulations to Ms. Mary Beth Schram and Ms. Kimberly Vacanti for their recent recognitions! Ms. Schram, a fourth grade teacher, received the Excellence in STEM Teaching Award from the Ohio STEM Learning Network. This award is presented to one teacher each year who exemplifies integrated, STEM-infused teaching strategies and classroom innovation, and whose work has led to positive student learning outcomes. Ms. Vacanti was chosen as a presenter at the 2023 Ohio STEM Learning Network Summit in Columbus, sharing how she infuses STEM into her preschool classroom. Her session, titled Little Learners, Big Ideas, showcased how she partners with Vitalia Senior Residence in Strongsville. This partnership allows students and residents the opportunity to connect and learn

from one another. We are so proud of both teachers!

PTSU EVENT NEWS

VOTE FOR SPRING 2024 MOTHER DAUGHTER EVENT at PLAYHOUSE SQUARE!

The IWA Mother Daughter Event Committee Chairs received some feedback that the 2024 IWA Mother Daughter Event could be fun to have at Playhouse Square! Two shows in spring of 2024 have been recommended as suitable for grades KP-8.

We would like our families to vote on which performance they would most like to attend. Whichever performance has the most votes, will be the one we decide to attend for our IWA Mother Daughter Event 2024.
