### **CLASSROOM HIGHLIGHTS**

*from the desk of Mrs. Congelio*

Mr. Havel's sixth grade students recently completed a world geography unit focusing on ancient civilizations. The students were challenged to reconstruct the last standing Wonder of the Ancient World, along with the completion of a two page MLA research paper. For the project, students had the option to build a physical or digital model. Outstanding job, sixth grade!

## Welcome Home!

Ms. Schram's fourth graders have a new class pet. This baby bearded dragon has settled in well over the last couple of days. The students have not decided on a name for the new addition at this time. We'll keep you posted!

Mark your Calendar!

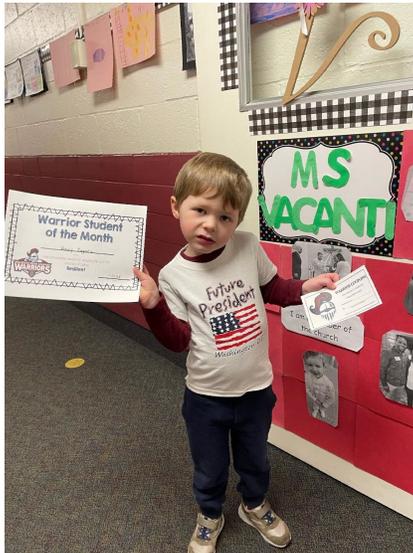

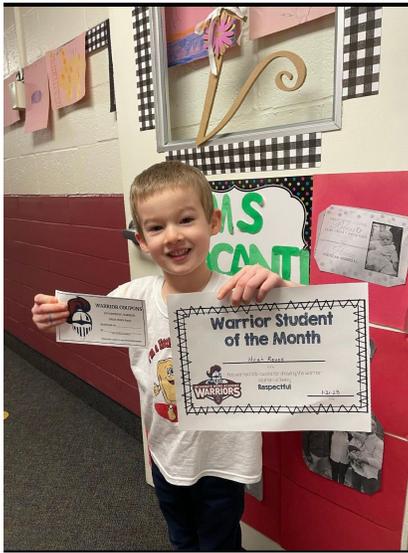

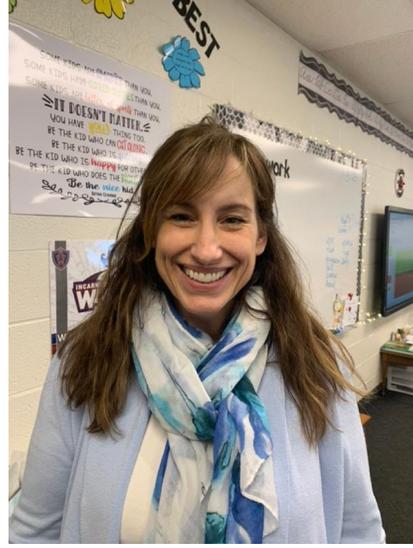

Valentine's Day is Tuesday, February 14th.  
Students may dress down in Valentine colors on that day.

There is **NO SCHOOL** on February 17th & 20th.
