CLASSROOM HIGHLIGHTS

from the desk of Mrs. Congelio

Our sixth grade Advanced Honors Mathematics class has been busy finding mathematical concepts in how logos are designed. The logos had to contain one or more of the following concepts: symmetry, dilation, reflection, or translation. Students created a Google Slide presentation to share the examples they found, as well as to display a unique logo they created that represented them.

PARENT EDUCATION FREEDOM ACT

At a recent town hall hosted at Holy Name High School, State Senator Sandra O'Brien outlined her proposal for Universal EdChoice Scholarship through SB11, the Parent Education Freedom Act.

She noted that the newly expanded EdChoice Scholarship would provide \$5,500 for every student in grades K-8 and \$7,500 for every student in grades 9-12. The scholarships can be used at any chartered non-public school, including Catholic schools, in the State of Ohio. While she is confident that the bill will pass in the Senate, she is uncertain that it will make it through the House of Representatives.
